**Interview with the Director**

Becky reveals the process of creating two brand new shows at the same time!

**60<sup>TH</sup> Anniversary Show on the STAR**

"We first came up with a storyline that celebrates the 60<sup>th</sup> anniversary of Stars of Paradise®. Once the concept was set, we worked with experts from Hawaii, Samoa, New Zealand and Tahiti, who assisted with authentic choreography and song selection. Kathe James designed the beautiful and elaborate costumes. We also created the audio tracks, video content and lighting design for the show shipwide, plus we rehearsed countless hours with the musicians and performers."

**Rockin' Show at Rock-A-Hula®**

"The show concept takes us on a journey through music and dance from the 1920s to present. Photos from Bishop Museum and Hawaii State Archives are shown on the screens to give our guests an authentic taste of Hawaii through the years. Music tracks were created in a studio in Las Vegas, and songs were chosen to accurately represent each era. Choreography, lighting and special effects enhanced the show's concept, and our artists, dancers and band rehearsed for weeks."
